I authorize my healthcare providers and staff (together, "Healthcare Providers"), my health insurer, health plan or programs that provide me healthcare benefits (together, "Health Insurers"), and any specialty pharmacies ("Specialty Pharmacies") that dispense my medication to disclose to Regeneron Pharmaceuticals, Inc., Sanofi US, and their affiliates and agents (together, the "Alliance") health information about me, including information related to my medical condition and treatment, health insurance coverage and claims, and prescription (including fill/refill information) related to my prescription for DUPIXENT® (dupilumab) therapy ("My Information"). I understand the disclosure to the Alliance will be for the purposes of enrolling me in, and providing certain services through the "*DUPIXENT MyWay* Program," including:

- to investigate my health insurance coverage for DUPIXENT injection
- to obtain prior authorization for coverage
- to assist with appeals of denied claims for coverage
- for the operation and administration of the *DUPIXENT MyWay* Program
- to refer me to, or to determine my eligibility for, other programs, or alternative sources of funding or coverage that may be available to provide assistance to me with the costs of my medication
  - I understand that the Alliance may de-identify My Information and use it in performing research, education, business analytics, marketing studies, or for other commercial purposes, including linkage with other de-identified information the Alliance receives from other sources. I understand that members of the Alliance may share My Information, including identifiable health information, among themselves in order to de-identify it for these purposes and as needed to perform the Services or to communicate with me by mail, telephone, or email, or, if I indicate my agreement and consent in Section 1 on page 1, by text. I understand and agree that the Alliance may use My Information for these purposes and may share My Information with my Healthcare Providers, Health Insurers and Specialty Pharmacies.

However, I also understand the Alliance has agreed to protect My Information by using and disclosing it only for the purposes allowed by me in this Authorization or as otherwise required by law.

However, if I do not sign this Authorization, I understand that I will not be able to participate in the *DUPIXENT MyWay* Program.

7. PATIENT CERTIFICATIONS

PATIENT: PLEASE READ THE FOLLOWING CAREFULLY, THEN DATE AND SIGN WHERE INDICATED IN SECTION 1 ON PAGE 1

I am enrolling in the *DUPIXENT MyWay* Program (the "Program") and authorize Regeneron Pharmaceuticals, Inc., Sanofi US, and their affiliates and agents (together the "Alliance") to provide me services under the Program, as described in the Program Enrollment Form and as may be added in the future. Such services include medication and adherence communications and support, medication dispensing support, coverage and financial assistance support, disease and medication education, injection training, and other support services (the "Services").

If enrolling in the *DUPIXENT MyWay* Copay Card Program, I understand that Copay Card information will be sent to my designated specialty pharmacy along with my prescription, and any assistance with my applicable cost-sharing or copayment for DUPIXENT® (dupilumab) injection will be made in accordance with the Program terms and conditions.

I authorize the "Alliance" to verify my eligibility for the *DUPIXENT MyWay* Patient Assistance Program, and I understand that such verification may include contacting me or my healthcare provider for additional information and/or reviewing additional financial, insurance, and/or medical information. I authorize the Alliance under the Fair Credit Reporting Act to use my demographic information to access reports on my individual credit history from consumer reporting agencies. I understand that, upon request, the Alliance will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize the Alliance to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources, to estimate my income in conjunction with the Patient Assistance Program eligibility determination process, if applicable. I further understand that no free product may be submitted for reimbursement to any payer, including Medicare and Medicaid; and no free product may be sold, traded, or distributed for sale. If approved for the *DUPIXENT MyWay* Patient Assistance Program, I will not seek to have the value of any medication provided to me under this program counted toward my true-out-of-pocket (TrOOP) cost for prescription drugs for my Medicare Part D Plan. Continuation in the *DUPIXENT MyWay* Patient Assistance Program is conditioned upon timely verification of income. In addition, I agree to notify *DUPIXENT MyWay* if my insurance situation changes.

Patients whose health insurance benefits include the use of an Alternate Funding Program are not eligible for the Alliance *DUPIXENT MyWay* Patient Assistance Program / need-based free drug. Patients with insurance plans or employers who sign up with these alternate funding vendors will have no coverage for specialty drugs that are identified on a list determined by the alternate funding vendor and will be required to apply to a manufacturer patient assistance program or pursue specialty drug prescription coverage through the alternate funding program to obtain such specialty drugs, including Alliance products. I agree to inform the Alliance *DUPIXENT MyWay* Patient Assistance Program team if I am a member of such an insurance plan or if I am applying to the Alliance *DUPIXENT MyWay* Patient Assistance Program on behalf of a patient who is a member of such an insurance plan. Further, the Alliance *DUPIXENT MyWay* Patient Assistance Program team may take additional steps to verify the patient assistance program need. Therefore, if I am applying to the Alliance *DUPIXENT MyWay* Patient Assistance Program for either myself or on behalf of a patient, I authorize the Alliance Patient Assistance Program team to contact my/the patient's employer, insurer, and other third parties [such as pharmacy benefit managers and their affiliated partners] to verify prescription benefit design and coverage.

I authorize the Alliance to contact me by mail, telephone, or email, or, if I indicate my agreement and consent on page 1, by text,* with information about the Program, disease state and products, promotions, services, and research studies, and to ask my opinion about such information and topics, including market research and disease-related surveys (together, the "Communications"). I understand that I may be contacted by the Alliance in the event that I report an adverse event. I understand that I do not have to enroll in the Program or receive the Communications, and that I can still receive DUPIXENT injection, as prescribed by my Healthcare Provider. I may opt out of receiving Communications, individual support services offered by the Program, including the *DUPIXENT MyWay* Copay Card, or opt out of the Program entirely at any time by notifying a Program representative by telephone at 1-844-387-4936 or by sending a letter to *DUPIXENT MyWay*, PO Box 220128, Charlotte, NC 28222. I also understand that the Services may be revised, changed, or terminated at any time.

I understand that my health information, contact information, and other information I, my healthcare provider, and others share with Regeneron Pharmaceuticals, Inc., Sanofi US, and their affiliates and agents (together the "Alliance") is collected to provide me with the assistance I request and for other business purposes of the Alliance, as described in their privacy policy, which is available at regeneron.com/privacy-policy. Depending on where I live, I may have certain rights with respect to my privacy information, including the request to access or delete my personal information. I am aware that Regeneron may not be required to fulfill my requests in certain circumstances. I understand that to exercise these rights, I may contact the Privacy Office by emailing dataprotection@regeneron.com or by calling 844-835-4137.
